"Empowering the Children of God to Live Victoriously"

Narrative Statement
West End Christian Academy
2413 Shell Road, Hampton, VA 23661

West End Christian Academy is a proposed daycare center designed to provide a safe, nurturing, and spiritually enriching environment for young children in the Hampton community. The facility is located at **2413 Shell Road, Hampton, Virginia**, and is part of the long-standing ministry of **West End Baptist Church of Hampton, Inc.** The daycare will offer a structured program centered on Christian values, early learning, and social development. Hours of operations will be from **6 AM - 6 PM, Monday thru Friday**, serving children from **2 ½ years old to five years old**.

The proposed daycare facility includes **two main classrooms** designed to meet the developmental needs of children. **Classroom 1**, measuring **23 feet by 15 feet 3 inches**, features a set of double doors that provide direct access to the outdoor playground area, allowing for safe and convenient transitions between indoor and outdoor activities for ages **2 ½ years old to 36 months**. **Classroom 2**, measuring **13 feet 2 inches by 18 feet 9 inches**, offers ample space for group instruction, play, and creative learning for ages **37 months to 5 years old**.

Additional spaces include a **potential lunchroom** measuring **15 feet by 9 feet 7 inches**, and two potential classrooms:

- **Classroom 3** (10 feet 10 inches by 14 feet 11 inches) suitable for small group or early preschool activities.
- **Classroom 4** (14 feet by 15 feet) which includes an adjoining bathroom, making it ideal for younger age groups requiring restroom accessibility.

A dedicated **Daycare Office** (13 feet by 10 feet 10 inches) will be located near the main entryway, positioned across from the boys' restroom for efficient supervision and administrative access. The **Boys' Bathroom** includes two toilet stalls, one urinal, and one sink, while the **Girls' Bathroom** contains two toilet stalls and two sinks, ensuring adequate facilities for enrolled children.

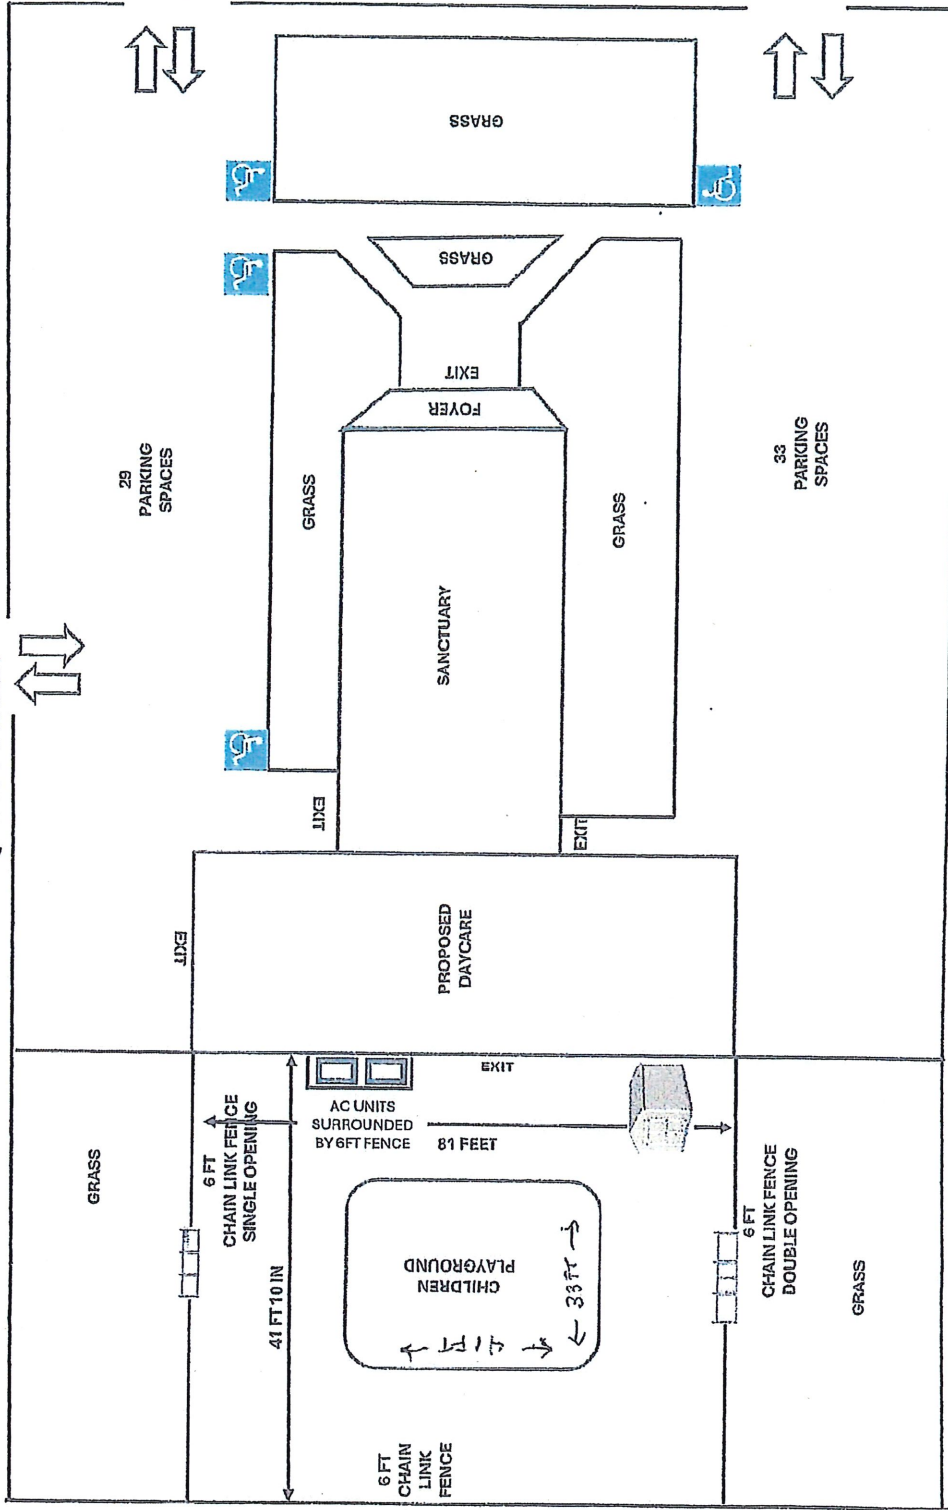

The **outdoor playground** will be located directly behind the daycare building, in an area measuring **81 feet by 41 feet**, and will be fully enclosed by a **6-foot tall chain-link fence**. The playground will feature **4-6-inch-deep layer of rubber mulch** contained by railroad ties for safety and stability. There will be two entry gates: a **4-foot-wide gate** for pedestrian use and a **10-foot-wide gate** for maintenance or emergency access.

Parking accommodation is generous and well-planned, consisting of **two separate parking lots**. **Parking Lot 1** provides **33 spaces** including **1 handicap-accessible space**, while **Parking Lot 2** offers **29 spaces** with **3 handicap-accessible spaces**. Both lots include designated entrance and exit points to promote smooth traffic flow during drop-off and pick-up times.

West End Christian Academy is designed with both function and faith in mind—offering a welcoming environment where children can grow academically, socially, and spiritually. The thoughtful layout supports safety, accessibility, and efficiency, ensuring that the academy can serve as a trusted educational foundation for our community, military, and all families in the Hampton area.
