Re: Stormwater Local Assistance Fund (SLAF)
City of Hampton

Congratulations,

I am pleased to inform you that I have authorized SLAF matching grant funds for your community for the project(s) and amounts shown below. This authorization is contingent upon compliance with all program requirements. Actual grant award will not occur until after your receipt of construction bids and DEQ's approval of a final project budget based on those bids. ***If program requirements have not been met and a grant agreement has not been executed by 6/30/2025, the funds authorization for the project(s) listed below will expire.*** My staff will be in contact with you in the near future to set up a meeting to discuss the next steps and schedule for moving forward with your project(s).

- SLAF Grant # 23-33 Mill Point Living Shoreline – \$1,575,017
