Program and Project Specific Funding Requirements
<ul style="list-style-type: none"> This project shall be administered in accordance with VDOT's Locally Administered Projects Manual and Transportation Alternatives Program Guide. In accordance with Chapter 12.1.3 (Scoping Process Requirements) of the LAP Manual, the locality shall complete project scoping on or before 12/17/2019. This is a limited funds project. Any expenses above the combined federal (80%) and local (minimum 20% match) will be at 100% LOCALITY cost. All local funds included on this appendix have been formally committed by the local government's board or council resolution. Any ineligible items identified throughout project development will not be reimbursable. Eligible VDOT project expenses will be recovered as follows: 80% will be deducted from the federal allocation and 20% will be deducted from reimbursement requests. The DEPARTMENT will conduct all environmental studies necessary to complete an environmental document in compliance with the National Environmental Policy Act. The LOCALITY is responsible for implementing any environmental commitments from the environmental document. In addition, the LOCALITY is responsible for obtaining any water quality permits and conducting any required hazardous materials due diligence efforts. VDOT's estimated cost for the environmental document and studies will be provided to the locality and deducted from the project funds. For Transportation Alternatives Program projects, the LOCALITY shall maintain the project or have it maintained in a manner satisfactory to the DEPARTMENT for its useful life and make ample provisions each year for such maintenance unless otherwise agreed to by the DEPARTMENT. Failure to do so, or the sale of a TAP funded improvement prior to the expectations as identified in the TAP Guide, may require repayment of federal funds. In accordance with CTB policy, the project must be under construction by September 30, 2022 or the federal Transportation Alternatives Program allocation may be subject to de-allocation. Reimbursement for eligible expenditure shall not exceed funds allocated each year by the Commonwealth Transportation Board in the Six Year Improvement Program.
