Good Morning Adrienne,

I hope your morning is off to a great start!!!

We are very excited for the individuals in Hampton that will be assisted because of BEN-19-924: Employment for TANF Participants. Although my wording below is ambiguous, we are clear that the \$230,849.60 award requires a local 10% cash or in-kind match.

Again, thank you.

Wanda

Good Afternoon Ms. Palmer,

On behalf of the staff at the Hampton Department of Human Services, we are informing you that we are beyond excited to accept the \$230,849.60 award with a 10% cash or in-kind match. We acknowledge that it is less than the dollar amount we requested in our application, but, we are committed to the scope of services proposed. We believe that the specialized intensive services that will be provided will increase the number of citizens in Hampton who become employed; and, one individual at a time, we will reduce dependency on public assistance in our community.

As requested you will receive the description of changes and the revised budget by 3 p.m. tomorrow.

Thank you so very much!

Wanda E. Rogers
