**CONTINUUM OF CARE PROGRAM (CDFA# 14.267)
GRANT AGREEMENT**

This Grant Agreement (“this Agreement”) is made by and between the United States Department of Housing and Urban Development (“HUD”) and City of Hampton Department of Human Services (the “Recipient”).

This Agreement, the use of funds provided under this Agreement (the “Grant” or “Grant Funds”), and the operation of projects assisted with Grant Funds are governed by title IV of the McKinney-Vento Homeless Assistance Act 42 U.S.C. 11301 et seq. (the “Act”), the Continuum of Care Program rule at 24 CFR part 578 (the “Rule”), as amended from time to time, and the Fiscal Year (FY) 2020 Continuum of Care (CoC) Program Non-competitive Funding Notice, Notice CPD-21-01. Pre-award Costs for Continuum of Care Planning

The Recipient may, at its own risk, incur pre-award costs for continuum of care planning awards, after the date of the HUD selection notice and prior to the start date of the award budget period/performance period, if such costs: a) are consistent with 2 CFR 200.458; and b) would be allowable as a post-award cost; and c) do not exceed 10 percent of the total funds obligated to this award. The incurrence of pre-award costs in anticipation of an award imposes no obligation on HUD either to make the award, or to increase the amount of the approved budget, if the award is made for less than the amount anticipated and is inadequate to cover the pre-award costs incurred.

These provisions apply to all Recipients:

The Agreement constitutes the entire agreement between the parties, and may be amended only in writing executed by HUD and the Recipient.

The budget period/performance period of renewal projects funded by this Agreement will begin immediately at the end of the budget period/performance period (or final operating year for Supportive Housing Program (SHP) and Shelter Plus Care (S+C) grants being renewed for the first time) under the grant agreement being renewed. Eligible costs incurred between the end of Recipient's budget period/performance period (or final operating year for SHP and S+C grants being renewed for the first time) under the grant agreement being renewed and the date this Agreement is executed by both parties may be reimbursed with Grants Funds from this Agreement. No Grant Funds for renewal projects may be drawn down by Recipient before the end date of the project's budget period/performance period (or final operating year for SHP and S+C grants being renewed for the first time) under the grant that has been renewed.

The Recipient must complete the attached "Indirect Cost Rate Schedule" and return it to HUD with this Agreement. The Recipient must provide HUD with a revised schedule when any change is made to the rate(s) included in the schedule. The schedule and any revisions HUD receives from the Recipient will be incorporated into and made part of this Agreement, provided that each rate included satisfies the applicable requirements under 2 CFR part 200 (including appendices).

This Agreement shall remain in effect until the earlier of 1) written agreement by the parties; 2) by HUD alone, acting under the authority of 24 CFR 578.107; 3) upon expiration of the budget period/performance period for all projects funded under this Agreement; or 4) upon the expiration of the period of availability of Grant Funds for all projects funded under this Agreement.

HUD notifications to the Recipient shall be to the address of the Recipient as stated in the Recipient's applicant profile in e-snaps. Recipient notifications to HUD shall be to the HUD Field Office executing the Agreement. No right, benefit, or advantage of the Recipient hereunder may be assigned without prior written approval of HUD.

The Agreement constitutes the entire agreement between the parties and may be amended only in writing executed by HUD and the Recipient.

By signing below, Recipients that are states and units of local government certify that they are following a current HUD approved CHAS (Consolidated Plan).

This agreement is hereby executed on behalf of the parties as follows:
