Dear Sirs,

Bethel Child Development would like to increase our COP from 100 to 150. There will be no physical change to the inside or outside of the building; we would just like to use the rooms that already exist. The facility is used for a daycare / preschool and owned by the Assembly of God. The square footage of the building inside is 17500 and the outside is 65175. We have a total of 13 rooms; currently in use are 10 rooms. Our facility has a total of 25 part time staff members a director and Assistant. Currently Bethel Child Development is opened from 6:00 am till 6:00 pm there will be no change to this. Onsite parking is 153 plus.

God bless you,
