Eaton and Lindsay Middle Schools

Auditorium renovations (bid process underway)

Spratley Gifted

HVAC design

Tyler Elementary

Roof repairs

Ceiling/LED light replacement

Interior and exterior painting

Window replacement

* Does not include summer 2017 projects

Portable Classroom Status

As of September 30, 2016

Total Classrooms

- Number of portable classrooms (PCs) 2015-16 school year: 96
- Of the 96 PCs, 35 are located at high schools
- The goal of the division is to eliminate as many of the PCs as possible
- The PCs cannot be sold due to age and cost to move
- The city is working with us to demolish the PCs at no cost to the division as we identify those that are ready

Progress on Demolition

- Demolished Spring/Summer 2016:

- Davis (6)

- Hampton (1)

- Jones (1)

- Mallory (2)

- Phoebus (3)

- Syms (8)

- Tucker-Capps (1)

Progress on Demolition

- Awaiting scheduling for demo:
 - Bethel (1)
 - Cooper (1)
 - Eaton (1)
 - Hampton Annex (1)
 - Lindsay (2)
 - Mallory (1)
- Once completed, the division will have removed a total of 29 PCs, or 30%
- Work will continue on identifying and removing additional PCs as we move forward

Phoebus High School
