Re: Entity Change and Renewal of Franchise Agreement

Dear Ms. Bunting:

On October 8, 2014, NewPath Networks, LLC (NewPath) entered into a Franchise Agreement (Agreement) with the City of Hampton, Virginia (City). Through a corporate restructuring effective January 1, 2019, NewPath was consolidated into Crown Castle Fiber, LLC (CCF). NewPath and CCF are both indirectly-owned subsidiaries of Crown Castle. See Exhibit 1, State Corporation Commission Order approving consolidation. Please update the City's records accordingly.

Per Section 3 of the Agreement, the initial term is set at 59 months from the effective date of the Agreement (October 8, 2014). The Agreement contemplated four consecutive Extended Terms for 59 months each upon the approval of City Council, which will not be unreasonably delayed. The Agreement is set to expire on September 8, 2019. Pursuant to Section 6 of the Agreement, CCF requests the City's consent to exercise Extended Term One of Four of the Agreement for 59 months.

Please contact the undersigned with questions. Thank you for your attention to this matter.

Respectfully submitted,

Scott Nichols
Government Relations Project Manager- Virginia
