Brief Project Description:

The Hampton Commonwealth's Attorney Office will continue to prosecute offenders that perpetrate violent crime against women through an experienced prosecutor dedicated solely to this task. An anticipated total of 825 female victims will be served in 2020. The prosecutor serves as an essential component of the Hampton Community Unified Response Effort (CURE), which also includes the Hampton Police Division and Transitions Family Services. It is our goal to prevent all forms of violence against women.
