Attention: Chris Dyser
Hampton Planning Department
1 Franklin Street, Suite 603
Hampton, VA 23669

Dear Mr. Dyser:

I'm a resident of Mallory Apartments and writing to inform you I do not want Mallory's Restaurant Conditional Privilege Application #93 to be approved. The Mallory Apartments are adjacent to Mallory's Restaurant and a live band, DJ, or karaoke will damage the quality of living for the residents of Mallory Apartments. A live band, DJ, or karaoke will create loud noise in the late night/early morning hours that is very disturbing. Very recently I have already heard loud music coming from Mallory's Restaurant and was very upset to hear it. Also, Mallory's Restaurant parking lot currently is too small for the patrons since I have seen numerous times multiple cars parked illegally. A live band, DJ, or karaoke will attract more customers to Mallory's Restaurant that do not have a place to park their vehicles. Customers of Mallory's Restaurant that do not have a place to park at the restaurant will park in the parking lot for residents of Mallory Apartments since the apartments parking lot is the closest parking lot to Mallory's Restaurant.

As I stated above, very recently I have heard loud music coming from Mallory's Restaurant. The owners of Mallory's Restaurant didn't notify the owners of Mallory Apartments about the Conditional Privilege Application #93. The owners of Mallory's Restaurant have not made provisions for the additional parking needed for the increased number of customers a live band, DJ, or karaoke will bring to the restaurant. For the reasons stated in this letter it is very clear the owners of Mallory's Restaurant do not know how to operate a respectable business and should not have ever been issued a business license to operate Mallory's Restaurant and most definitely should not be approved for the Conditional Privilege Application #93.

Thanking you in advance for not approving Conditional Privilege Application #93.

Sincerely,

Carla J. Westerman
