RE: Firearms Training Funding

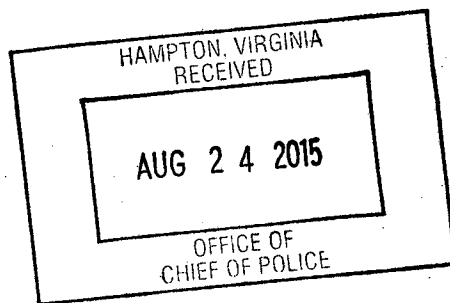

Dear Chief Sult:

I am writing in reference to funding the Norfolk Field Office of the Federal Bureau of Investigation provided to the Hampton Police Division in 2011 in order to move a firearms training classroom facility and purchase a range utility vehicle. I have been informed these funds were not spent and your finance office would like my concurrence to reallocate the money.

Pursuant to that, I am writing to advise that your division may reallocate the \$23,000.00 to range renovation expenses. I am pleased to be able to offer these funds in support of this important project. I look forward to our continued training partnership with your division. I have also instructed my firearms staff to keep me updated on the progress of the renovation project. Thank you for allowing my office continued access to your training facility.

Sincerely,

John S. Adams
Special Agent in Charge
