Dear: CindyBurgess

You will be receiving your local Early Intervention Part C contract for SFY17 from the Procurement Office at DBHDS in the very near future. To allow for program and budget planning, the expected amount of your SFY 2017 allocation is included below. The amounts of both state and federal dollars are listed. The Early Intervention (Part C) allocation formula was applied to the two funding sources and each local system is receiving an equal base amount of the funds and then a portion based on child count and Medicaid count.

Barring any changes in the amount of federal dollars allotted to Virginia, your system will receive:

State:	\$ 434,468
Federal:	\$ 232,296
Total:	\$ 666,764

If you anticipate a deficit for SFY 17, notify me as soon as possible. As always, thank you for your commitment to serving the infants and toddlers in the Commonwealth and their families.

Sincerely,

A handwritten signature in cursive script that reads 'Catherine Hancock'.

Catherine Hancock
