RE: City of Hampton, Virginia
Application for Exemption from Real and/or Personal Property Tax

Dear Ms. Duff:

We are in receipt of the January 5, 2005 application requesting exemption from 1998-2005 business tangible personal property taxes associated with broadcasting equipment owned by National Minority TV, Inc and located in the City of Hampton, Virginia.

After much consideration, the Tax Exemption Committee has decided to not support the request for exemption. As noted in the application, the property located in the City is comprised of unmanned radio equipment. With this exception, National Minority TV has no other presence in the City and therefore provides no substantial contribution to the common good of the Hampton community.

Should you opt to proceed with your effort, please send written notice of your intent to the Committee. If no such notice is received, the \$350.00 deposit submitted with your application will be returned to you within two weeks of this letter.

Your patience in this process has been greatly appreciated. If you have any questions, please feel free to call me at (757) 728-5185.

Sincerely,

Richie McKeithen
Tax Exemption Committee Chair
