## Project Updates

# Downtown Seafood

- Committed to \$1.5 million to support capital campaign
- Additional infrastructure work likely needed

# Downtown Development

- Requested City support = \$600,000
- Land sale proceeds would go to Economic Development Fund for future economic development projects

# Buckroe Bay Front Infrastructure

- RFQ responses received
- Process moving forward

# Aquatics Center

- Potential Partners
  - HU – discussions ongoing
  - Langley AFB – interested, subject to approval by the Secretary of the Air Force
    - Any financial support would likely be in the form of a “contract fee for service”
  - CNU – not interested at this time

# Police Academy

- Cost estimate based on acquisition and renovation of property on Research Drive
- Option could be to use Teen Center/Performing Arts Center Building (if do Aquatics Center)

# Public Works Operations Center

- Updated Relocation Cost Estimate = \$49.8 million
  - General Fund = \$10.4 million
  - Fleet = \$20.0 million (52% General Fund)
  - Stormwater = \$6.0 million
  - Wastewater = \$6.6 million
  - Solid Waste = \$6.8 million
- Rehab existing site = \$2.0 million
  - Minimum needed – would extend life of the facility 10 years

# Project Options

- **Three Options**
  - 1. \$74.65 million with Aquatics**
  - 2. \$74.65 million without Aquatics**
    - \$9.15 million for other Tourism Initiative
  - 3. \$46.15 million without Aquatics**
    - \$9.15 million for other Tourism Initiative
