*Additional Recommended Conditions found in PC Package

Analysis

Based on the set of proposed amendments –

- The proposed short-term rental is located in the Buckroe 2 Zone, in which the proposed amendments recommend a maximum of sixteen (16) STRs. Currently, the Buckroe 2 Zone features five (5) permitted STRs and the proposed STR does not exceed the maximum number of STRs permitted. However, the proposed STR is within 500 feet of a permitted STR and would therefore not be compliant with the proposed 500-foot buffer requirement.
- **The Use Permit application is eligible to convert to a Zoning Administrator Permit (ZAP) application on the day proposed ordinance amendments go into effect.**

Conclusion

- Applicant opportunity to present
- Public hearing
- Options for Council Action:
 - Staff recommends **deferral** of Item No. 23-0221 until the City Council meeting scheduled after the proposed ordinance amendments take effect
 - Deny
 - Approve with fifteen (15) recommended conditions
