Allison:

Thank you for your efforts in helping DHDP work with the Downtown Hampton restaurant community answering questions they had regarding the Restaurant Zoning changes. We provided a copy via email of the information you shared to all restaurant owners and operators in the District, to include the Vanguard, which is just outside our boundaries.

We have not received any questions, or comments from these restaurants. I reached out to the owner of three restaurants that initially had several questions and concerns, and when we spoke yesterday he shared that his questions have been answered.

Therefore, I believe the changes proposed by the City to be acceptable to the restaurant businesses and DHDP.

Thank you again for all of your assistance.

Sincerely,

Stephen M. Mallon  
Executive Director
