ENCROACHMENT AGREEMENT

THIS ENCROACHMENT AGREEMENT (this "Agreement") made and entered into this ____ day of February, 2018, between the **CITY OF HAMPTON, VIRGINIA**, a municipal corporation of the Commonwealth of Virginia located at 22 Lincoln Street, Hampton, Virginia 23669 (the "City" and "Grantor"), and **JOHN J. BONGIORNO**, owner of the property located at 2215 Bay Avenue, Hampton, Virginia 23662 ("Licensee" and "Grantee").

WHEREAS, the City owns the right-of-way known as Courtland Avenue (the "Property");

WHEREAS, Licensee owns the property located at 2215 Bay Avenue (LRSN 1003311) ("Licensee's Parcel");

WHEREAS, when Licensee acquired Licensee's Parcel in June of 2017, it contained three encroachments into the Property, comprising a combined area totaling 162 square feet, more or less ("Licensed Area");

WHEREAS, Licensee wishes to formalize encroachments into the Licensed Area, including portions of a (i) garage, comprising 20 s.f.±; (ii) driveway, comprising 100 s.f.±; and (iii) fence, comprising 42 s.f.± (the "Licensed Improvements"), as illustrated on Exhibit "A" attached hereto; and

WHEREAS, pursuant to § 34-86 of the City Code, the City agrees to grant Licensee a revocable license for the proposed encroachments under certain terms and conditions as specified herein.

NOW, THEREFORE, in consideration of these covenants, the parties agree as follows:

1. The City as "Licensor" hereby grants a non-exclusive revocable license to Licensee for the Licensed Improvements upon and under the Property in the Licensed Area identified on the sketch designated as Exhibit "A," which is attached hereto and made a part hereof.

2. Licensee agrees:

A. To repair any damage to rights-of-way, sidewalks and brick, landscaping, or other public improvements inside or outside the Licensed Area, caused by or resulting from or arising out of any act on the part of Licensee, its subcontractors, agents, or employees under or in connection with this Agreement, or maintenance or repair of the Licensed Improvements in the Licensed Area;

B. All work under this Agreement shall occur within the unpaved right-of-way, or Licensee shall obtain private easements;

C. The City is not responsible to repair or replace any damage to the Licensed Improvements that may result from work performed in the right-of-way;

D. To remove and replace the Licensed Improvements if any utilities in the Licensed Area require maintenance;

E. To ensure the Licensed Improvements do not restrict the City's ability to inspect and maintain the Property or infrastructure in the Licensed Area; and

F. Except as otherwise provided herein, Licensee shall keep the Licensed Area in a neat and clean manner, free of noxious fumes and any additional obstructions so as not to cause disruption or hazard to pedestrian or vehicular traffic on the Property.

3. The license herein granted shall commence on February 14, 2018 and continue unless otherwise sooner terminated pursuant to this Agreement.

4. The Licensed Improvements shall remain in the same location as described herein and as shown on the attached sketch identified as Exhibit "A".

5. Licensee shall not use the Licensed Area for any purpose other than the purposes set forth in this Agreement.

6. Licensee may vacate or abandon the Licensed Area and any rights and obligations granted herein at any time upon 30 days' written notice to the City, provided, however, Licensee shall comply with any reasonable conditions imposed by the City regarding said termination, including but not limited to removal of the Licensed Improvements. The Director of Public Works specifically is delegated the responsibility to establish and enforce these conditions.

7. In the event the City reconstructs, widens, changes, or improves the area of Courtland Avenue, and the reconstruction, widening, changing, or improvement would necessitate relocation of the Licensed Improvements, Licensee agrees that, upon receipt of written notice accompanied by plans for such work from the City Manager or her authorized designee, within a reasonable time and at its sole expense, Licensee shall relocate its Licensed Improvements to conform with the City's plans. The City agrees to consider granting an additional license to Licensee if deemed necessary for relocation of the Licensed Improvements.

8. It is understood and agreed that Licensee hereby assumes the entire responsibility and liability for any and all damages to persons or property caused by or resulting from or arising out of any act or omission on the part of Licensee, its subcontractors, agents, or employees under or in connection with this Agreement or the performance or failure to perform any work required hereunder. Licensee agrees to indemnify and hold harmless the City, and its agents, volunteers, servants, employees, and officials from and against any and all claims, losses, or expenses, including reasonable attorney's fees and litigation expenses, suffered by any indemnified party or entity as a result of claims or suits, due to, arising out of, or in connection with (a) any and all such damages, real or alleged, (b) the violation of any law applicable to this Agreement, and (c) the performance of work by the Licensee or those for whom Licensee is legally liable. Upon written demand by the City, Licensee shall assume and defend at Licensee's sole expense any and all suits or defense of claims made against the City, its agents, volunteers, servants, employees, or officials.

9. Licensee acknowledges and accepts any risk of damage to the Licensed Improvements located under and along the Property which may have been caused from the construction or maintenance activities of the City in the vicinity of the Licensed Improvements. Licensee hereby releases, acquits, and discharges the City from any liability for damage to the Licensed Improvements by the City's contractors or by franchised utility companies. Further, and without waiving the City's rights of sovereign immunity, nothing contained herein shall

constitute a release of any claim or cause of action which Licensee may have resulting from damages to the Licensed Improvements which is caused by the willful, wanton, or intentional act or gross negligence of the City or its agents, volunteers, servants, employees, and officials.

10. Licensee shall maintain at its expense throughout the term of this Agreement, general liability insurance covering the Licensed Improvements in an amount at least equal to the current liability coverage in Licensee's Parcel. Such insurance shall be with a company satisfactory to the City. Any deductible provision of said insurance shall be subject to the approval of the City Attorney's Office. Such insurance specifically shall insure the Licensee against all liability assumed by it under the terms of this Agreement and the license granted hereunder as well as any liability imposed by law and shall insure both the City and Licensee but shall be so endorsed as to create the same liability on the part of the insurer as if separate policies had been written for the City and Licensee. Licensee shall provide the City's Risk Management Administrator with a Certificate of Insurance naming the City as an additional insured, which shall be in a form satisfactory to the City and the City Attorney's Office. Licensee shall provide the City's Risk Management Administrator the Insurance Certificate annually without demand. Each insurer mentioned in this section shall agree by endorsement on the policy or policies issued by it or by independent instrument furnished to the City that it will give the City at least 30 days' written notice before the policy or policies in question shall be altered or cancelled.

11. Licensee may not sublet or assign the rights granted under this Agreement without the prior written consent of the City.

12. Any notice, communication, or request under this Agreement by the City or Licensee shall be sufficiently given or delivered if dispatched by either (a) certified mail, postage prepaid, return receipt requested, (b) nationally recognized overnight delivery service (next business day service), or (c) hand delivery if receipt is evidenced by a signature of the addressee or authorized agent, and addressed to the applicable parties as follows:

Licensee shall remove the Licensed Improvements at the written request of the City Manager to Licensee after the termination or expiration of this Agreement or the revocation of the license granted thereunder. In the event Licensee has not removed the Licensed Improvements within 30 days of receipt or deemed receipt of the City Manager's written request to remove the Licensed Improvements, the Licensed Improvements shall become the property of the City, with the City reserving the right to remove the Licensed Improvements; and the expense of said removal to be paid by Licensee which shall be collected as real estate taxes are collected if not paid by Licensee.

17. The City Council hereby delegates to the City Manager the right to revoke the license granted hereunder for violation of Paragraph No. 19 of this Agreement, subject to the terms thereof.

18. This Agreement is a Virginia contract deemed executed and accepted in the City of Hampton; and any and all questions with respect to any of the provisions herein shall be instituted, maintained, and contested in a court of competent jurisdiction in the City of Hampton, Virginia. Upon Licensee's failure to cure the default, the City immediately may cancel and terminate this Agreement which operates as a revocation of the license granted thereunder as of the mailing date of the default notice. Upon termination, the Licensee shall cease performance of any further activities under the Agreement.

20. This Agreement contains the final and entire contract between the parties hereto and contains all the terms and conditions agreed upon; it being the intent of the parties that neither shall be bound by any terms, conditions, or other representations not herein written.
