Ms. Katherine K. Glass
Clerk of Council
City of Hampton
22 Lincoln Street
Hampton, VA 23669-3591

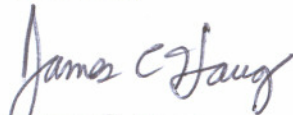

Dear Ms. Glass:

Due to a change of employment in the near future as a full time faculty member at Longwood University, I regretfully must submit my resignation from the Wetlands Board, effective July 31, 2007. The change will most likely result in moving my primary residence out of the City of Hampton.

I have learned much, and enjoyed the interaction with City staff and fellow board members. I regret my service on the Board was relatively short.

Please pass this letter on to the appropriate parties, including the Mayor and Council members, Planning Director, City staff as appropriate, and the Chairperson and members of the Wetland Board.

Sincerely,

James C. Haug
D.B.A., P.E.
