SUBJECT: Designated vendor for maintenance and repairs of Automated Solid Waste Collection Vehicles.

ACTION REQUESTED OF COUNCIL: Authorize the City Manager and/or designee to secure Mid-Atlantic Waste Systems as the designated vendor for maintenance and repairs of Heil automated solid waste collection vehicles.

BRIEF BACKGROUND STATEMENT: The Public Works Department, Solid Waste Division has invested over \$3.3 million in automated collection vehicles. These 18 vehicles are state-of-the-art equipment manufactured by Heil. Repairs to these vehicles are required from time-to-time and must be performed by a manufacturer's approved warranty facility. Mid-Atlantic Waste Systems is the only approved Heil warranty facility in Virginia.
