12. Review of Live Entertainment Uses

After 12 months of operation, the Use Permit will be scheduled for review by the Director of Community Development (the "Director") to consider if the continuation of the Use Permit would not be detrimental to the public health, safety, and welfare and that to continue the activities under the Use Permit would not cause public inconvenience, annoyance, disturbance, or have an undue impact on the community or be incompatible with other uses of land in the zoning district. The review will be based, in part, upon a physical site review, traffic flow and control, access to and circulation within the property, off-street parking and loading, hour and manner of operation, noise, light, neighborhood complaints, police service calls, and any violations of any federal, state, or local law. If after review, the Director determines that the Use Permit would not be detrimental to the public health, safety, and welfare and that to continue the activities under the Use Permit would not cause public inconvenience, annoyance, disturbance, or have an undue impact on the community or be incompatible with other uses of land in the zoning district, the permit shall be scheduled for the same administrative review in 5-year increments. If the Director determines that the Use Permit would be detrimental to the public health, safety, and welfare and that to continue the activities under the Use Permit would cause public inconvenience, annoyance, disturbance, or have an undue impact on the community or be incompatible with other uses of land in the zoning district, the Director will notify the Permittee in writing and may initiate the revocation process before City Council. Nothing contained herein shall limit the City's ability to enforce City Code violations at any time during the operation.
