Hi Annika,

There are so many grants circulating with similar names/functions. Being that you mentioned I have been in touch with Brandi, the only grant that comes to mind is the one that is similar to what HPD is doing. Is this "that" grant?

We can talk tomorrow (Monday) as I'm getting ready to leave the office to get what rest I can. I may need your assistance, though, to help fine tune the number.

Thanks a bunch-!

Thank you.

Hey Lori,

I know when it was initially being discussed, you were in contact with Brandi Law. I don't have access to the amendment. Can you reach out to Brandi and get it from her? If not, then I will see what I can find on tomorrow.

Thank you.

Hello all,

There is a future funding amount on this grant, but that funding is not being requested until 2021 and 2022. The documents I'm requesting approval on only apply to the grant for calendar year 2020.

Thank you.

Hello,

In one place it is stated that there is no required cash match. In another place, there is indication of future funding obligations. Please clarify.

Thank you.
