

**AT A PUBLIC HEARING IN A REGULAR MEETING OF THE HAMPTON PLANNING COMMISSION
HELD IN THE CITY COUNCIL CHAMBERS, CITY HALL, HAMPTON, VIRGINIA, ON THURSDAY,
MAY 16, 2024 AT 3:30 P.M.**

- WHEREAS:** the Hampton Planning Commission has before it this day a rezoning application by the City of Hampton, Virginia to rezone into the Buckroe 2 Zone of the Short-term Rental Overlay (O-STR) District all of the parcels of land generally bounded to the west by Shelton Rd, starting at its intersection with N. Mallory St, following in a northwesterly direction until Shelton Rd reaches E. Pembroke Ave, then following E. Pembroke Ave in an easterly direction until it reaches Old Buckroe Rd, then following Old Buckroe Rd in a northerly direction until it reaches Buckroe Ave, then following Buckroe Ave in an easterly direction until it reaches the southern boundary of LRSN 12007408, then following the southern boundary of that parcel in an easterly direction until it reaches the Chesapeake Bay, then following the Chesapeake Bay in a southerly direction until it reaches the northern boundary of LRSN 1303684, then following the northern boundary of that parcel in a westerly direction until it reaches Mill Creek, then following Mill Creek in a southwesterly direction until it reaches the waterway north of E. Berkley Dr, then following that waterway in a northwesterly direction until it reaches N. Mallory St, then following N. Mallory St in a northeasterly direction until the point where it reaches Shelton Rd;
- WHEREAS:** this application is in conjunction with Zoning Ordinance Amendments 24-0173 through 24-0177 which will together establish new restrictions on how and where short-term rentals within the City can operate, and will clarify other similar uses. The amendments establish density maximums within proposed short-term rental zones, and require a minimum separation between short-term rentals which are within single-family dwellings;
- WHEREAS:** the City seeks to achieve a balance between the protection of neighborhoods and community cohesion and the economic, tourism, and recreational benefits that short-term rentals can provide the City;
- WHEREAS:** in order to achieve this desired balance, the proposed amendments create a new zoning overlay district with fifty-one (51) subdistricts. Each subdistrict, referred to as an "STR Zone", permits a maximum number of short-term rentals within that area to establish a maximum density of short-term rentals;
- WHEREAS:** the boundaries of the proposed STR Zones were created based on (1) core areas of the City which are the subject of an adopted Master Plan, (2) major roadways, including interstates, arterials, and other major or historic connector streets, and (3) major waterways, including rivers, canals, and stormwater conveyances;
- WHEREAS:** these large roadways and waterways serve as physical boundaries between parcels and, therefore, will likely establish a physical divider between the impacts of uses on parcels, making them appropriate boundaries for the STR Zones. In establishing the dividing lines between the STR Zones, City staff also sought to balance the general size and shape of the areas;

WHEREAS: this rezoning maps one area of the City into the Buckroe 2 Zone of the Short-term Rental Overlay (O-STR) District;

WHEREAS: City staff recommends approval of this rezoning application with an effective date of July 1, 2024;

WHEREAS: no comments or questions were raised by the Commissioners; and

WHEREAS: 34 members of the public spoke during the public hearing.

NOW, THEREFORE, on a motion by Commissioner Brian DeProfio and seconded by Commissioner Kathy Rogers,

BE IT RESOLVED that the Hampton Planning Commission recommends to City Council approval of Rezoning Application No. 24-0183 with an effective date of July 1, 2024.

A roll call vote on the motion resulted as follows:

AYES:	Rogers, Brooks, Kellum, Harper, DeProfio, Harris
NAYS:	Coleman
ABST:	None
ABSENT:	None
