Re: Liability and Other Insurances for the NPS Materials Grant

The City administers its own self-insurance program for workers' compensation and general liability insurance in accordance with section 15.2-1518 of the code of Virginia, which permits local governments to self-insure its liability insurance. In addition to the self-insured retention of one million dollars (\$1,000,000) the City has an excess policy with States Risk Retention Group that has a limit of ten million dollars (\$10,000,000).

This same self-insurance program extends coverage to TowneBank for the use of the aforementioned parking lot.

With regards to Workers' Compensation Insurance. The City also administers its own self-insurance program.

Any questions or claims against this self-insured program should be directed to the Department of Risk Management, City of Hampton (757) 727-6617.

Any questions or claims against this self-insured program should be directed to the Department of Risk Management, City of Hampton (757) 727- 6617.

Sincerely,

Joe Sanders
Risk Manager
