Hi Mr & Mrs Michel. This is Angie Cutler, one of the owners of Saunders Contracting. We received your letter. We are unable to attend your community meeting on May 17th but I just wanted to say that we would be glad to have you in our industrial park. It seems like you run a very professional business and we would be happy to have you here. Good luck with the City. Wishing you the best of luck!

Thank you 🙏

Frank – thanks for the update. If you haven't already delivered letters already, there is an important correction to be made – your application is a rezoning application (RZ21-00014) from Limited Manufacturing (M-1) to Light Manufacturing (M-2) to permit vehicle repair, light, not a use permit application.

I will try to make the meeting.
