**Subject:** RE: Wythe - material needed by 2/26

Attached is a map of alternate sites considered.

1. Boys and Girls Club. LL not interested. Was in process of selling property. Surrounded by residential.
2. Both parcels owned by Catholic Church. LL not interested
3. Apartments. Colonial Landing LLC. LL not interested
4. Cemetery properties. Our proposed site is on cemetery property
5. Cemetery property as well. AT&T proposed a site here and withdrew the app. We chose cemetery property north of this site that had less visibility and better tree buffering.

Thanks
