Good Afternoon Chief Layman,

The City of Hampton's ALT for FY18 is \$459,468 based on the SCC transfer. If the Town of Toms Brook does not get their report to me by Friday your amount will change to \$459,643. Let me know if you have any questions.

Sincerely,

Good Morning,

VDFP have not gotten the SCC deposit yet. It should come through this week no later than next week. Once I get the amount of the deposit I'll be able to calculate next year's ATL disbursement.

Theresa,

Good morning. Do you know the amount of next year's ATL disbursement for Hampton? I am just trying to develop some budget items and was curious about the amount.

Thanks,

David
