December 8, 2015  
Hampton Division of Fire & Rescue  
22 Lincoln St  
Hampton, VA 23669

To whom it may concern,

TSI is the sole source manufacturer and calibration service of the referenced Model 8038 PortaCount Respirator Fit Tester.

TSI Inc does not have any distributors for this product.

TSI's calibration system meets ISO 9001:2008 and complies with ISO 10012:2003; Measurement management systems – Requirements for measurement processes and measuring equipment. TSI's performs calibrations and certifies the instruments conform to the original manufacturer's specifications and have been calibrated using standards whose accuracies are traceable to the National Institute of Standards and Technology (NIST)
