Total # of Recommendations HPD to Improve Upon:

(as related to police division responsibility)

36 Recommendations*

** Action Items fall under each recommendation and may include multiple independent items. If an area of improvement is contained in an Action Item, the overall recommendation is included as an area for improvement*

Pillar 1 – Building Trust & Legitimacy

Capt. Wideman

Overview

“People are more likely to obey the law when they believe that those who are enforcing it have the legitimate authority to tell them what to do...The public confers legitimacy only on those they believe are acting in procedurally just ways.”

9 Recommendations Issued

HPD Improvement Areas: Compliance with All
General Improvement overall for long-term goals

Pillar 1 – Building Trust & Legitimacy

Capt. Wideman

Recommendations

Law enforcement cultures should embrace a guardian mindset to build public trust and legitimacy.

Law enforcement agencies should acknowledge the role of policing in past and present injustice and discrimination and how it is a hurdle to the promotion of community trust.

Law enforcement agencies should establish a culture of transparency and accountability in order to build public trust and legitimacy.

Law enforcement agencies should promote legitimacy internally within the organization by applying the principles of procedural justice.

Law enforcement agencies should proactively promote public trust by initiating positive non enforcement activities to engage communities that typically have high rates of investigative and enforcement involvement with government agencies.

Pillar 1 – Building Trust & Legitimacy

Capt. Wideman

Recommendations

Law enforcement agencies should consider the potential damage to public trust when implementing crime fighting strategies.

Law enforcement agencies should track the level of trust in police by their communities just as they measure changes in crime.

Law enforcement agencies should strive to create a workforce that contains a broad range of diversity including race, gender, language, life experience, and cultural background to improve understanding and effectiveness in dealing with all communities.

Law enforcement agencies should build relationships based on trust with immigrant communities. This is central to overall public safety.

Pillar 1 – Building Trust & Legitimacy

Capt. Wideman

WHAT ARE WE ALREADY DOING

- Guardian vs. Warrior mentality: truly the protect & serve philosophy (law enforcement oath)
- Improve quality of life through long term problem solving
- Treating people with dignity and respect; transparency; practicing procedural justice
- Participation in community events and activities; take the opportunities to have non-enforcement interactions
- Officer support and safety through equipment, social and mental sustenance
- Improve communications, transparency and access to information

Pillar 1 – Building Trust & Legitimacy

Capt. Wideman

WHAT ELSE CAN WE DO?

- Maintain the progress with outreach efforts to the community, public education & awareness programs, and officer training
- Capitalize on HPD's Social Media Branch and continue to expand on the resources to facilitate enhanced community engagement

Pillar 2 – Policy & Oversight

Maj. Archie

Overview

“Citizens have a constitutional right to freedom of expression, including the right to peacefully demonstrate.”

13 Recommendations Issued; 8 Action Items

- 10 Recommendations/Action Items are compliant through current P&P, etc.

HPD Improvement Areas:

- 11 Recommendations/Action Items require SOP/P&P modification and/or revision

Pillar 2 – Policy & Oversight

Maj. Archie

MODIFICATION / REVISION

Recommendation 2.2

Law enforcement agencies should have comprehensive policies on the use of force that include training, investigations, prosecutions, data collection, and information sharing. These policies must be clear, concise, and openly available for public inspection.

Action Item 2.2.2

These policies should also mandate external and independent criminal investigations in cases of police use of force resulting in death, officer-involved shootings resulting in injury or death, or in-custody death

Overview & Current Status

The Hampton Police Division is part of the collaboration between the seven Hampton Roads cities regarding the development of a plan to establish Virginia State Police as the external investigative body. The Virginia Beach Police Department is the lead agency and is currently working on a draft a MOU

Action Plan

It is recommended HPD continue to pursue participation in the regional effort

Pillar 2 – Policy & Oversight

Maj. Archie

Action Item 2.2.4

Policies on use of force should also require agencies to collect, maintain, and report data to the Federal Government on all officer-involved shootings, whether fatal or non-fatal, as well as any in-custody death

Overview & Current Status

The Hampton Police Division maintains comprehensive policies regarding police Use of Force (UoF) to include protocol regarding the training of personnel, investigation of force related incidents, data collection, and information sharing.

Action Plan

It is recommended that the Central Records Unit develop IBR codes to specifically capture officer-involved shootings

Pillar 3 – Technology & Social Media

Maj. Brighton

Overview

“Implementing new technologies can give police departments an opportunity to fully engage and educate communities in a dialogue about their expectations for transparency, accountability, and privacy.”

18 Recommendations Issued

HPD Improvement Areas: 13 Recommendations

Pillar 3 – Technology & Social Media

Maj. Brighton
