To Whom It May Concern,

I would like to take this opportunity to express my support for Bay Disposal's plan to amend their current conditional use permit. They have explained their intention and I am comfortable with their plan. Bay Disposal has been a quality neighbor in the park and their staff is easily accessible should I ever have any questions or concerns.

Thank you in advance for your continued support of Hampton businesses. Please don't hesitate to contact me if you have any questions or need any additional information.

Sincerely,

Scott Finney
President
