SUB2022-0033P

Pinewood Apartments
Narrative Statement
09/20/2024

Pinewood Apartments are currently a 64-unit apartment complex with no amenities owned by Pinewood Apartments Owner, LLC, et al.

Pinewood Apartments is located at 2 Tall Pine Drive, Hampton, VA 23666. The respective property is made up of two parcels: LRSN 3004827 and LRSN 3004828.

This property currently is made up of 48 2-bedroom units and 16 2-bedroom plus den (3rd bedroom) units for a total of 64 units. The current zoning is C-2 in the Coliseum Central Overlay (O-CC) District.

Pinewood Apartments Owner, LLC, et al, proposes to combine the two properties into one parcel.

Upon completion of property line vacation plat and combination into one property, we proposed the addition of one single 4-story building. The building will have 35 2-bedroom units (1,058 sq ft) and 16 2-bedroom units (996 sq ft).

The new site will be made up of 64 (existing) dwellings plus 51 additional dwellings (proposed) for a total of **115** dwelling units.

The building will be a single 4-story building (maximum height 41 feet) with an elevator and two staircases. The building will have a front lobby with a mail kiosk, a leasing office, a property manager's office, a fitness center, and a community room.

Site improvements are as follows:

- Remove existing unused dwelling (old laundry facility)
- Redesign entire apartment complex site parking to comply with current parking standards.
- Addition of a dog park.
- Addition of a grilling/picnic area with covered pavilion.
- Addition of a second new entrance from Power Plant Parkway. This entrance will be right- in, right-out only.
- Addition of two new double dumpster enclosures (as shown on site plan).
- All site fencing will be black aluminum fencing.
- Entire site will be professionally designed and landscaped to comply/exceed city standards.
- Addition of Two EV Charging Stations

The building will have the following exterior architectural features:

- Engineered Stone and Split faced block
- Fiber-cement horizontal siding
- Fiber-cement paneling
- Smart Siding
- Stone veneer
- Oversize vinyl windows
- Standing seam metal roofing
- Maintenance free exterior cornice
- Aluminum railing

Project will be pursued under the current zoning of C-2 Coliseum Central Overlay (O-CC) District.

Anticipated impact to adjacent properties: None.
