

To City Of Hampton Community Development,

Bowman's soul N the wall is southern cuisine restaurant located in Coliseum Central. There will be about 12 employees 4 per shift. Our primary business is southern food and we have no desire to become a club; however, we would like to have lite entertainment which would suit our small but quaint environment, An example of entertainment would be a violin soloist on special occasions such as Valentines, or our Sunday brunch. A two or three piece band ensemble, karaoke and spoken word. The building dining room size (960 sq ft) minus a small stage of 80 square feet that has furniture positioned on it, that will not be removed. I have submitted a scale drawing and as you see it does not have a dance floor. In addition we will not draw large crowds to our venue. We share a parking lot with 2 other dwellings. One being a barber shop that closes at 5 pm and a hair dresser whose hours are 5am to 4pm. We have 14 parking spaces in the front and 10 in the rear. In addition we are on the fun place lane in which we can utilize as parking but we have not use this at this time. We have been in business for 4 months and have not had any vehicular traffic issues with adjoining businesses or with our customers not being able to park. The hours of operation are 11a-9p Tuesday through Thursday and 11a- 12a Friday and Saturday, 11a-10p Sunday. It is with hopes that Bowman's soul-N-the wall will be granted an entertainment #1 license. If you have any questions, feel free to contact me. I look forward to working with you in building a stronger community.

Truly I am,

Randy C. Bowman
