PROJECT NARRATIVE

PRILLAMAN'S Property Management, LLC

April 29, 2026

The subject property is located in the City of Hampton and known as 618, 632, 634, 636, and 638 Aberdeen Road and 2303 60th Street, LRSN: 1000301, 1000303, 1000440, 1000441, 1000442 and 1000443. The property comprises approximately 5.1936 acres and is zoned M-2 District – Light Manufacturing, C-2 District – Limited Commercial, R-11 District – One Family Residential. The applicant proposes to rezone the property to M-2 District – Limited Manufacturing with proffers.

An affiliate of the property owner, Prillaman's Crane & Rigging, Inc., presently operates its crane and rigging business on the property located at 2303 60th Street. The use consists of office uses, interior and exterior storage of equipment and materials, and equipment service and repair. The company utilizes very large and expensive equipment in its business and employs a highly skilled, high-wage labor force.

The property located at 618 Aberdeen Road is presently leased to a tenant that uses the property for commercial purposes.

The remaining properties have been developed as single family detached residential homes.

The applicant's affiliated crane and rigging business is experiencing significant growth and is in desperate need of more space to store equipment and materials as well as to teach and train crane and rigging operators. Accordingly, the applicant purchased the single-family residential properties included in this application with the aspiration of redeveloping those properties into an expanded operations area as shown on the conceptual site plan included with this application. The expanded operations area is intended to be used to store additional equipment and materials as well as to provide an area to teach and train crane and rigging operations for both employees and non-employees (i.e., members of the public that pay a fee for the training).

The commercial building is intended, for the present time, to remain under lease to the existing commercial tenant, but the applicant may eventually utilize the building for expansion or relocation of some of its office personnel.

The applicant is not proposing any change to the existing buildings, signage, parking, or other components of 2303 60th Street and 618 Aberdeen Road properties. No new buildings are proposed.

The crane and rigging business presently operates and proposes to continue to operate from 4:30 a.m. to 8:00 p.m., Monday through Friday; however, the business responds to emergency calls 24 hours a day, 7 days a week. The crane and rigging business currently employs approximately 39 employees. With the proposed expansion, it is anticipated that the total number of employees will be 43.

As shown on the conceptual site plan, the applicant is proposing supplemental landscaping and fencing along Aberdeen Road and the southern boundary of adjacent residence at the northeast corner of the site in order to provide an appropriate buffer between the uses.

It is the applicant's intent to use recycled asphalt as the surface on the new operations area. Stormwater within the site will most likely consist of an underground facility as shown on the conceptual site plan, however additional measures may be employed. The final design solution will be fully developed at the site plan review stage and will comply with City and State regulations.

Any new lighting will be designed to illuminate the relevant portion of the site to at least 1 footcandle, and the lighting fixtures used will be energy efficient, and will be full cutoff lights which are "dark sky" compliant in order to avoid glare and prevent impacts to neighboring properties.

The applicant is proposing the following resiliency measures:

- One (1) level 2 electric vehicle charging station, and
- Landscaping utilizing a minimum of 75% native plantings with the remaining 25% from USDA hardiness zones 8a or 8b.

The 2303 60th Street and 618 Aberdeen Road properties are designated Business/Industrial on the City's Comprehensive Plan Future Land Use Map. Accordingly, the proposed use of these properties is consistent with the City's Comprehensive Plan. The residential properties are designated Low Density Residential on the City's Comprehensive Plan Future Land Use Map. However, the Hampton Community Plan lists this section of Aberdeen Road as a business corridor (LU-CD Policy 36). The conversion of the four subject residential properties fronting on the busy Aberdeen business corridor creates a safer and more appropriate land use and traffic pattern in the area by "squaring off" the residential-business interface along Aberdeen Road and eliminating direct vehicular access to Aberdeen Road. Expansion of business uses in this area of the corridor through a proffered rezoning permits the imposition of land use restrictions which create a better orientation of business and residential uses and, ultimately, better protects and buffers the adjacent residential uses along Aberdeen Road and Sanford Drive to the north.

Additionally, a stated land use policy in the Hampton City Plan is to support the City's economic development priorities (LU-CD Policy 6) which include (1) retaining and expanding existing businesses with family supporting wages (ED Policy 1), (2) focusing special attention on strengthening the ability of older industrial areas to support expanded business activity (ED Policy 12), and (3) acknowledging the need for business growth through redevelopment (See the "Growth Through Redevelopment" subsection of the Economic Development section of the Hampton Community Plan at ED-21). Overall, the applicant believes that this rezoning proposal balances the goals of the Hampton Community Plan and is consistent with the spirit and intent of the Plan.

The applicant believes that the redevelopment of the residential homes along Aberdeen Road will have a potentially positive effect on adjacent properties through its proposed buffer plan and by eliminating direct access to Aberdeen Road from these properties. The applicant does not anticipate any impact on City services.

NEXGEN TITLE AGENCY, LLC
STATUS OF TITLE
SCHEDULE B (Continued)

The attached STATUS OF TITLE REPORT is not to be construed as title insurance or as an opinion of title. An ALTA Title Insurance Policy may be obtained through NexGen Title Agency, LLC.

This STATUS OF TITLE REPORT contains summary information on the condition of title to the subject property from August 13, 2015 through January 31, 2025 at 8:00 AM. This information is derived from documents and instruments disclosed from public records in the city or county in which the subject property is located. No inspection has been made in any court other than the local Circuit Court in which matters of title are customarily and routinely docketed. This STATUS OF TITLE REPORT makes no representation or opinion as to the insurability or marketability to title.

This report contains no legal opinions of any kind. NexGen Title Agency, LLC undertakes no responsibility to provide information not set forth in the public records as of the effective date and shall have no liability for the accuracy or completeness of information set forth in recorded documents or other public records.

This report does not include facts as might be disclosed by an accurate survey, or facts relating to any rights of parties in possession. Nor does it include any information regarding building locations, encroachments, overlaps, overhangs, unrecorded easements, violated restrictive covenants, deficiency in quantity of ground, environmental matters, presence of hazardous waste, or any other matters which would be disclosed by a personal inspection of the property.

NexGen Title Agency, LLC expressly disclaims any liability hereunder to anyone other than the recipient of this report. The recipient of this report acknowledges and agrees that this report is prepared for the recipient's use and benefit only and may not be relied upon, delivered to or utilized by any third party for any purpose. Since an ALTA Title Insurance Policy may be obtained through NexGen Title Agency LLC, the liability of NexGen Title Agency, LLC for negligence, errors, or omissions in or under this report and all continuations shall be limited for all purposes and in all cases to actual damages up to a maximum amount of \$ 350.00. Payment for this report of title and/or reliance thereupon for any purpose shall be binding upon and shall constitute and confirm the express and complete agreement of the parties to each and all of the terms set forth herein.

Notwithstanding anything to the contrary herein, the liability under this STATUS OF TITLE REPORT shall terminate one year from the effective date and any continuations thereof.
