# Public Policy

## Land Use and Community Design Objectives and Policies

**Objective 1:** Promote the efficient use of land. Recognize land as a limited resource.

**Objective 5:** Protect community appearance, character, and design.

**LU-CD Policy 4:** Evaluate land use proposals from a regional, city-wide, and neighborhood perspective.

**LU-CD Policy 7:** Safeguard the integrity of existing residential neighborhoods.

**LU-CD Policy 17:** Preserve and enhance the identity and scenic qualities of city corridors and gateways.

**LU-CD Policy 36:** Encourage corridor-oriented commercial development within specified areas to strengthen the viability of commercial uses and to protect residential uses and adjacent neighborhoods. Areas specified for corridor oriented commercial include business corridors and commercial nodes within residential corridors.

Hampton Community Plan (2006, as amended)

# Public Policy

Hampton Community Plan (2006, as amended)

## Resilience Policies

**LU-CD Policy 39:** Prioritize protecting natural systems and restore or recreate natural systems where they have been compromised

## Transportation Policies

**TR Policy 10:** Use landscaping and other improvements to create attractive and distinctive corridors and gateways into the city.

## Economic Development Policies

**ED Policy 10:** Foster the successful development of well-situated vacant and underutilized properties within the City.

**ED Policy 12:** Focus special attention on strengthening the ability of older commercial and industrial areas to support new and expanded business activity.
