Education

Master's Degree

Please share any of your interests and/or experience which you would like us to consider.

I have helped generate ideas and organize events for the senior ministry at my church. As a former administrator in the public school system, I always sought to hear both sides of any conflict or disagreement between staff members, students, or students and staff. I feel that this helps me be a better listener and decision maker.

Please share your volunteer experience and/or special skills.

I have volunteered in the school system in many capacities...teacher assistant, library helper, Mayors Book Club. Through my church, I have volunteered in pantry ministries, clothing closets and missionary outreach programs. I have strong communication skills.

Please identify any former board service, if applicable.

I have served on the HRCAP board.
