Dear Members of the City Council:

Please accept this message as my expression of support for the building of the **T & R Funeral Home and Crematorium**. The addition of this new facility will not only create jobs but will be an added value to the community. As a new facility, it will be attractive and uplift the look of the surrounding community. Additionally, the crematorium will offer a more affordable choice to residents who are being hit by hard times.

I implore you to approve the building of this new facility in the Hampton, VA area.

Sincerely,
Diane Warmsley
