

The following is a list of certain budget actions responsive to requests by Council that do not require budget amendment, but for which the Manager requests Council's approval. The Manager requests approval of the following actions, which can be accommodated through the reallocation of existing departmental resources as presented in the FY 17 budget:

- \$20,000 to be made available to the Phoebus Partnership out of the Department of Economic Development, the terms of which will be determined by the Department of Economic Development
- \$3,000 to be set aside in the Solid Waste budget to fund adopt-a-spot supplies for the Clean City Commission
- Assistant City Manager will be assigned to work with the Senior Citizen Advisory Committee regarding their \$10,000 request for various items
- WiFi will be installed in the final two Community Centers that do not currently have WiFi
- Any enhancements for the 50th Anniversary of the Jazz Festival would come from the proceeds of the Festival in the Coliseum Budget
