Narrative

Aqualung Rapid Diver System - Will provide Marine Patrol/Dive Unit with rapidly deployable supplemental breathing system for rapid rescues in marine environment. WRAP Restraints - Used to humanely restrain combative arrestees/prisoners for transport to prevent risk of injuries to prisoner or officer. Printers - Used to support police operations where hardcopies of documents are required, current city budget does not support purchase of printers. SWAT Communications Headsets/Links for new radios - The city recently upgraded radio system, as a result SWAT now needs new headsets and communications hardware to interface with that new radio and work with current helmet system.
