Hi Karla, that's good news-!

We will do our part to get you the information today (7/3) but we will need to loop in Human Resources so they can confirm the salary number. We will copy you on the email to ensure you are kept in the loop.

Best,  
Lori

Good Afternoon,  
Just wanted to give you a heads-up. We will be receiving the RESET funds again in the amount of \$43,450.00. It was last minute when they told us that we would be funded. I am in the process of putting the info in OGMS by tomorrow. Lori, is there any way you can send me an email with the new amounts for the two positions? This would be Ayanna and Tyrone. At this late date of me asking, is it safe enough for me to just add the 2% to their current salaries. You sent me a FY25 print out for Victim Witness Grant but it didn't include these two positions.

Thanks,  
Karla

Thank you, Karla, I'm good, just wanted to clarify that it was for FY25.

That is correct. The \$34,761 will not be renewed after June 30. The grant that Mary sent to you was the new competitive grant that we wrote that we were planning to put the current RESET employees on. We did not get it. If you need to talk you can reach me at 757-592-5201.

Thanks,

Dear Karla,

So that I am clear, the RESET grant award, in the amount of \$34,761, was **not** funded for FY25, correct?

Thank you.

Thank you so very much! I was completely surprised by the award earlier this week. I am copying Brian and Lori as I explained to Brian we would need to work on finding a way to cover the \$34,761.

Hi Mary,

Per your request, here is the memo from DCJS regarding the VSGP grant that was not selected for funding. We currently receive \$34,761 for the RESET grant which will end on June 30<sup>th</sup>. There are two positions paid from this grant and the difference is provided by the City. It was our intent to write this grant to continue the work that we do with RESET as well as add an additional component called TRIAGE to provide services to the underserved population of the Elderly. I have reached out to DCJS to get feedback on our application and score.

Thanks,  
Karla
