

City of Hampton

TO: Hampton City Council

FROM: Constance R. Mason, City Planner

SUBJECT: **Plan Amendment No. 012-2007 Kecoughtan Road Corridor Master Plan:**
Administrative issue to amend the Hampton Community Plan, Adopted February 2006 by Approving the Proposed Corrections to the 2006 Kecoughtan Road Corridor Master Plan.

DATE: June 20, 2007

The Sunset Creek Area – Thornette Street parking illustration Number 4 on page 31 of the Plan was inadvertently overlooked by mistake and not removed while revising the Final Draft Kecoughtan Road Corridor Master Plan document. In addition, the corresponding text related to this illustration should also be deleted under subtitle Eason Park and Darling Stadium, page 32, paragraph 1; second sentence and instead should read as follows:

“In addition to the Legion field parking area, the Plan recommends ~~a single row of parking on the northern edge of this Stadium~~, a small parking lot at Kecoughtan Road and Thornette Street, and increasing the parking capacity at Eason Park.”

Community Meeting

On Wednesday, April 11, 2007 at 7:00 PM at the City of Hampton Main Library Planning Staff met with residents of the Thornette Street community at that meeting everyone in attendance agreed to support the Plan Amendment.

Staff Recommendation

Staff recommends approval of **Plan Amendment No. 012-2007 Kecoughtan Road Corridor Master Plan** to amend the Hampton Community Plan, Adopted February 2006 by correcting the map and text in the Kecoughtan Road Corridor Master Plan, Adopted January 2006.
