Site History

- Former site of Lincoln Park Housing Development
- Contained 275 units

Site History

- Rezoned in 2023 to current zoning district (DT-1)
- Use Permit approved in conjunction with rezoning to depart from by-right development standards

Previous Use Permit

As part of the Use Permit, one of the conditions approved by City Council states:

6. Nullification

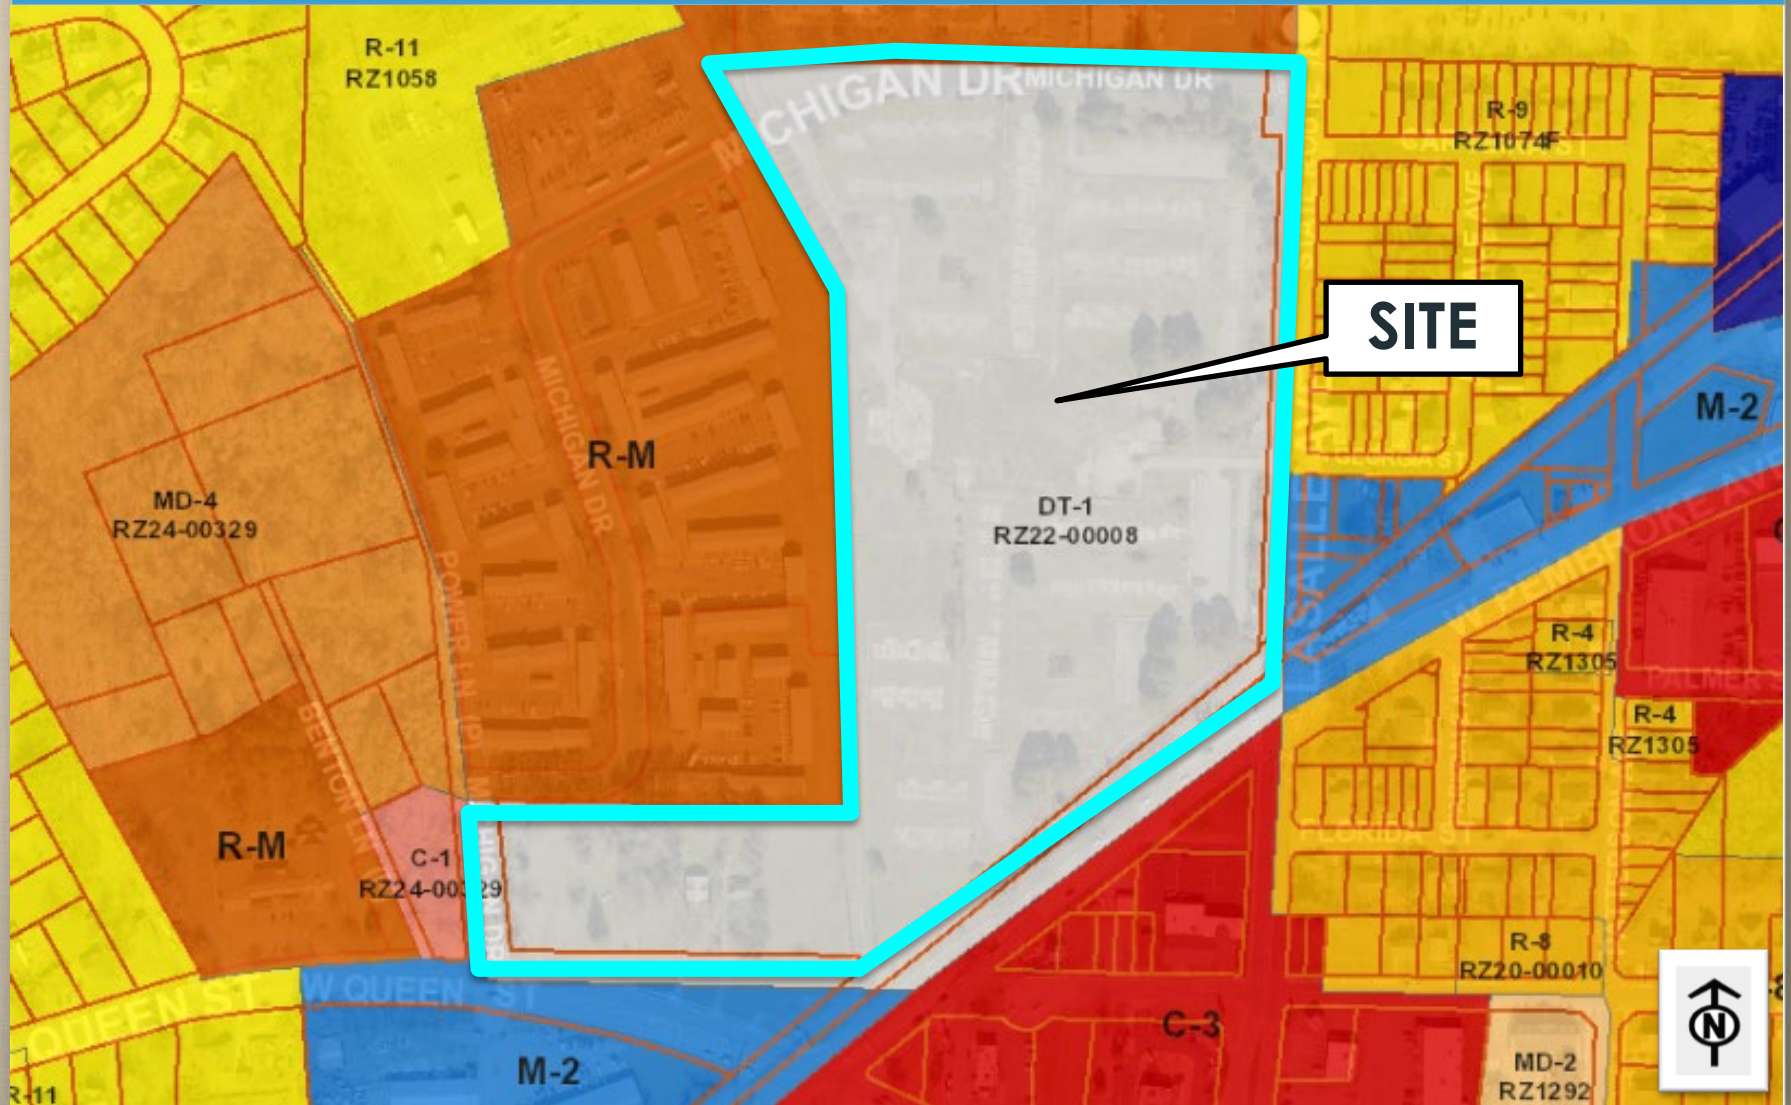

- a. The use permit shall automatically expire and become null and void under any of the following conditions:
 - i. If, in the case of new construction, the building has not been erected, with doors, windows, roof covering and exterior finish materials in place within two (2) years of the issuance of the use permit.

The subject site is currently under development but **has yet to reach substantial completion** to comply with the condition stated above; therefore, **the previous Use Permit has been nullified.**

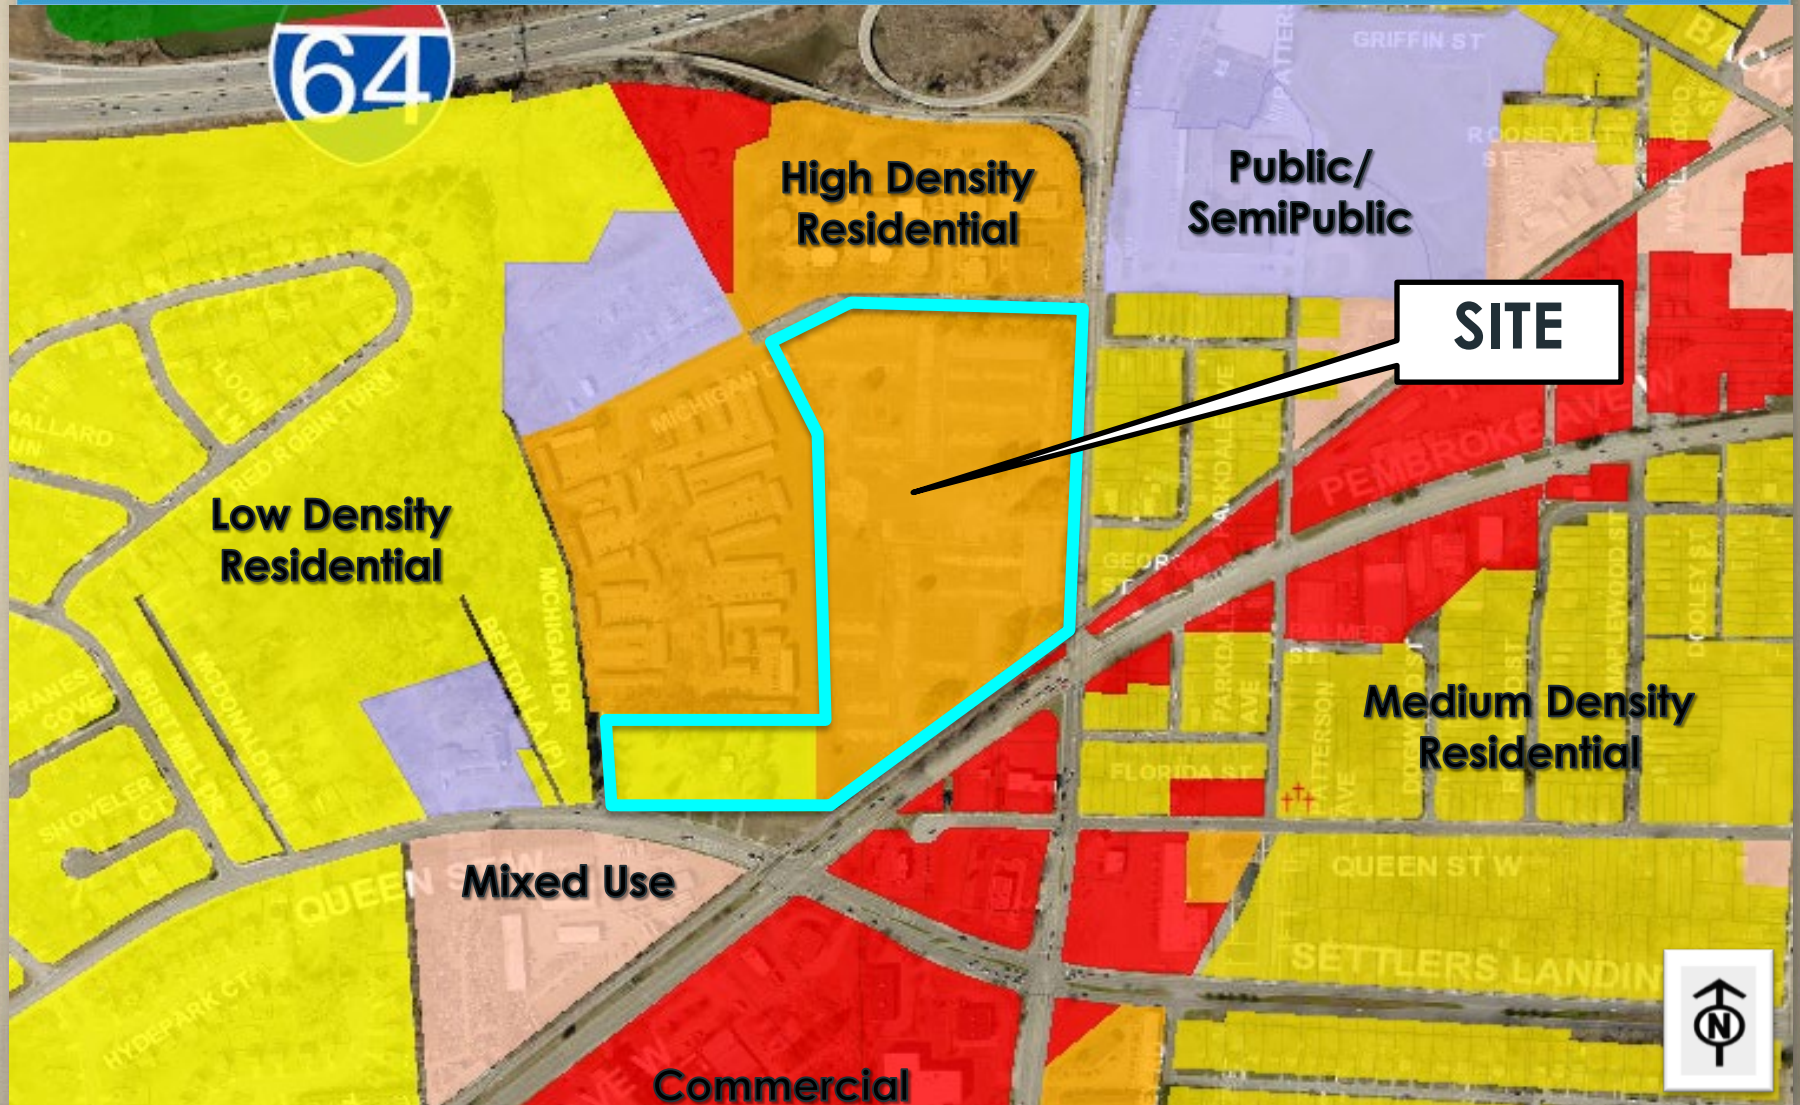

Use Permit Request

BY-RIGHT	REQUESTED DEPARTURE
FFE of 36"	FFE at-grade (slab construction)
Off-street parking restricted in front yard	Parking in front yard of age restricted apartments
20% fenestration on first floor street-adjacent building facades	15%
Min. 10' first floor ceiling height	9'

Zoning Map

Future Land Use Map

Public Policy

Hampton Community Plan (2006, as amended)

- **LU-CD Policy 3:** Encourage and maintain a diverse mix of housing types and values.
- **LU-CD Policy 29:** Encourage high quality new developments that are compatible with surrounding neighborhoods.
- **LU-CD Policy 36:** Protect adjacent neighborhoods and promote compatible land uses within the city's residential corridors... Potentially compatible uses include high density residential...

Recommended Conditions

- Compliance with proffered conditions
- UP process for conversion of commercial to multifamily
- Nullification if substantial completion is not reached in **5 years**

*Additional Recommended Conditions found in PC Package

*Conditions subject to change pending resolution of proffer statement

Analysis

- Proposed development has not changed from previous use permit
- Compliance with rezoning proffers
- High density residential use (22 DUA) is generally supported by Community Plan
- “Trade-off” between by-right optional incentive multifamily development standards and UP

Conclusion

- Applicant opportunity to present
- Public hearing
- Action
 - Staff recommends **approval** of Use Permit application no. 25-0195, subject to nine (9) conditions
