# 12<sup>th</sup> Year of I Value

## What do you value in city services?

This will be used, not just for next year's operating budget, but to look ahead and to develop the 5-year capital budget.

There will be no polling options this year because much of what residents asked for last year is on hold due revenue cuts caused by Covid-19.

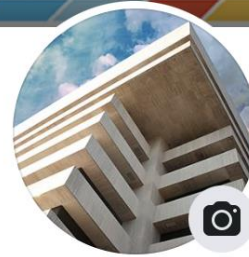

# Discuss with City Manager Mary Bunting

- Property assessments
- Tax rates
- High-priority projects
- Special funds or fees
- What you want to see funded for the city
