

MEMORANDUM

TO: Hampton Planning Commission

FROM: Henry Godfrey, Senior Youth Planner

DATE: July 17th, 2025

SUBJECT: July Youth Planner Memo

During the month of June, the Senior Youth Planner had the pleasure of being able to go to a Community Policing Meeting from June 26-27th. The main focus was to understand the principles and roles that it plays in our current government and community of Hampton, so that they can eventually lead trainings based on these policing principles. July 1st marked the day for orientation between the Senior Youth Planner as well as interns from the Summer Youth Employment Program. This orientation will assist the senior and junior youth planners to learn more about their positions as they progress into the school year.

Additionally, the Hampton Youth Commission (HYC) is currently in the process of planning for the 2025-26 retreat. The youth planners are evaluating options for the retreat locations.

Finally, we are excited to have Saige Holden join us as the new Junior Youth Planner, as the previous planner, Helena Folkerts', last day was June 30th 2025. We appreciate her for all of her consistent and diligent efforts to keep the Commission as a high functioning governing body that represents young people. She will be missed, and we wish her the best of luck on her upcoming adventures.
