

"Teaching the Uncompromised Word of God"

1741 W. Queen St
Hampton, VA 23666

March 22, 2016

Narrative Statement

This is a proposal to operate a child development/daycare center located at 1741 W. Queen St., Hampton, VA. The total square footage of the proposed location is 62,610 square feet, with only 29,377 square feet allocated for childcare. Our projected employee count will include 8 part-time and 7 full-time employees.

Victory Child Development Center will operate Monday – Friday from 6:00 AM to 6:00 PM. We project the center will accommodate 100 children ages 6 weeks through 12 years.

The number of existing parking spaces is 274. The traffic will flow from two entrances/exits accessed by W. Queen Street. A circular pattern around the building is certainly do-able, but considering the space in the current parking lot, it would not be required for traffic to flow un-hindered.

This center will be operated as a childcare/before and after school program possibly expanding to a full-time academic private school in the future. We will meet all the basic needs such as, feeding, diapering, play-time, nap-time, counseling and education based on the age of the child. We will also provide tutoring during the before and after school sessions.

Victory Child Development Center is an incorporated 501c3.
