MARCH 2005

ADOPTED BY CITY COUNCIL ON MARCH 23, 2005

Buckroe Master Plan
(2005, as amended)

- New single-family housing on the north side of Pembroke Avenue will improve the character of the street. Establishing single-family residential development at this important gateway provides a hint of the character of the Buckroe neighborhood beyond, as well as sends the message that the neighborhood is undergoing positive growth and change
- The Plan indicates a weakness of the area in old housing stock and demand for single-family homes
- Pembroke Ave identified in the Plan as an improvement opportunity
