Dear Ms. Wright:

Safety has been and will continue to be a high priority in Virginia's overall transportation system. The Northam administration is committed to ensuring that safety is the highest priority in the development of the Commonwealth's multi-modal transportation system.

I am pleased to inform you that the highway safety project proposal(s) listed below has been approved for pass-through grant funding from the National Highway Traffic Safety Administration for Federal Fiscal Year (FFY) 2020.

<u>Project Number</u>	<u>Project Title</u>	<u>Amount Approved</u>
FSC-2020-50345-20345	Selective Enforcement - Speed	\$43,770.00

The availability of funds under this grant is contingent upon two conditions: (1) the project director and the fiscal contact responsible for the financial management of your grant must attend a grantee workshop and (2) the release of federal funds to the Commonwealth. Your assigned grant monitor will be contacting you to provide the dates and locations for this mandatory training.

You will receive the project agreement(s), scope of work, special conditions, and a project budget during the training session. As the recipient of a FFY 2020 grant award, it is important that you read and follow the information carefully. If you have any questions regarding the conditions, please contact the grant monitor assigned to your grant.

Thank you for your commitment and participation in improving highway safety. We look forward to the positive impact that your project will have on making our roadways safer.

Sincerely,

Richard D. Holcomb
