The Honorable Jimmy Gray, Mayor
City Council Members
City of Hampton
22 Lincoln Street
Hampton, VA 23669

Dear Mayor Jimmy Gray and Members of the City Council,

It is with a heavy heart that I am writing to formally submit my resignation

from my position on the Parks and Recreation Advisory Committee, effective January 29, 2026. I am also resigning from my position on the Hampton Senior Advisory Committee, effective January 29, 2026.

Serving the City of Hampton and its residents on these two important committees has been a profound privilege. I am incredibly proud of the work we have accomplished. I have cherished the opportunity to contribute to initiatives that enhance our community's green spaces and recreational programs, and I am deeply grateful for the collaborative spirit and dedication of my fellow committee members and city staff.

My decision to step down is due to unforeseen and temporary personal circumstances that are impacting my mobility and ability to reliably attend the in-person meetings. I am currently without a reliable personal vehicle, and the logistics of consistent transportation have become a significant challenge. It is a matter of professional integrity for me to resign rather than continue in a role where I cannot be the fully engaged and dependable member that the committees and the city deserve.

While I am unable to reapply for the Parks and Recreation Committee at this time, I sincerely hope that my situation will be resolved in the near future. My passion for serving our community has not waned, and I fully intend to return to public service once my mobility is no longer an issue. I look forward to the day when I can once again offer my time and energy to the City of Hampton.

Thank you again for the invaluable opportunity to serve. I wish the committees and the City Council continued success in all your future endeavors.

Respectfully,

Remi Travis Wright
