---

Hey Tolu,

Here is an email that I received regarding the community meeting tonight. I am happy to keep a print out of each that I receive, but this is the first and only so far.

All the best,

Toni

Dear Toni,

On behalf of Saint Mary Star of the Sea School, I would not recommend the addition of tattoo parlors in the vicinity of the school. This type of business would not be in the best interest of our students or the community at large.

Thank you for asking for our input.

Sincerely,

*Sister Mary John, O.P.*
