### Just Press Play

When it comes to audiobook formats,  
Playaway can't be beat!

Unlike CDs, audio cassettes or downloads, Playaway does not need a separate player. Instead, Playaway comes pre-loaded and ready to use with one audiobook per device—making them simple for you to use and your library to circulate.

### The All-In-One Audiobook

**Simple:** 5 narration speeds so you can listen at your own pace; automatic bookmarking remembers where you took a break.

**Portable:** Weighs only 2 ounces; equipped with a universal jack—listen in the car or with any type of headphone.

**Durable:** No screen to scratch; made for the library with circulation in mind.

### Who's Playaway For?

**Kids:** Improve literacy and comprehension when pairing with the print edition

**Seniors:** No need for technical knowledge

**Visually impaired users:** Simple, immediate access to the best in literature

**Busy parents, professionals, commuters:** No

“We used Playaways during a road trip—each of our kids loved listening to Playaways when I work. I'm a welder, and I got to listen to their book of choice. Kept them occupied while I'm getting my job done.”
