

A&R is licensed by the Virginia State Corporation Commission as a LLC. The company is insured with Western Surety Company. At this time, there is one licensed instructor who is also the manager and owner.

A&R Driving School will be for all drivers wanting to learn how to drive, or needing to enhance their driving skills. Ages ranging from fifteen to nineteen, classes for these teens will provide approved curriculum from the board of education. Also behind the wheel training. Adult classes will be provided upon request for behind the wheel on the road training, 5-10 lessons whichever the client chooses. Driver Improvement classes will be provide any individuals ordered by the court, a business or voluntary request to attend a 8 hour class on one day. A certificate of completion will be given as well as 5 merit points added to their license.

A&R will be located at 66 W Mercury Blvd. #8 in Hampton. The square foot of the office space is close to 500. There will be one office and one classroom. The number of students per class will depend on how many signs up. The location already has parking spaces available. There is public transportation within a short walking distance to the school.

During the week, parents will pick up and drop off their teens for class. On Saturdays a Driver Improvement class will be held allowing for open parking, as there are no flow in business from the companies in the building. A&R will operate between the hours of 8am-5pm Monday through Friday. On Saturdays from 8am-4pm. Closed on Sundays. There will be no changes made to the exterior building. One suite number inside the building to be used for A&R Driving School. No major impact to sewer and utilities. No major impact on traffic or issues regarding public safety. Customers will enter and exit the location via Doolittle Rd. or Mercury Blvd. A&R Driving School will be available for all your driving needs.

Thank you for allowing A&R Driving School to submit a permit request.
