Grandma's Daycare is located at 1184/1186 Big Bethel Road. The existing parking lot has ⁴⁷¹~~486~~ parking spaces. There are two vehicle access points to the site; with primary access off Big Bethel Road, and a secondary access off of Village Drive connecting to Big Bethel Road. The building is 2,000 square feet with three classrooms, one office, breakroom, kitchen, and two bathrooms. The facility will accommodate 48 children ranging from four weeks to five years old, and approximately 8 employees. The playground is located at the rear of the facility with a six feet privacy fence to ensure the safety and privacy of the children. Attached is the drawing of the fence. The hours of operation requesting is Sunday through Saturday from 6:00 a.m. to 12:00 midnight with the understanding that all of the children will be out of the facility before midnight. The extended hours will accommodate parents who are working nontraditional hours; particularly our military service members, hospital staff, police officers, firefighters, and other companies who operate 24//7. In addition, service members often work irregular hours and have a hard time finding a licensed daycare whose hours of operation meet their needs. Therefore, Grandma's Daycare will help ease the burden of our service members finding a daycare in the local area with extended hours.

If you have any questions or concerns, please contact Sandra Mitcham, owner at (757) 236-0006.
